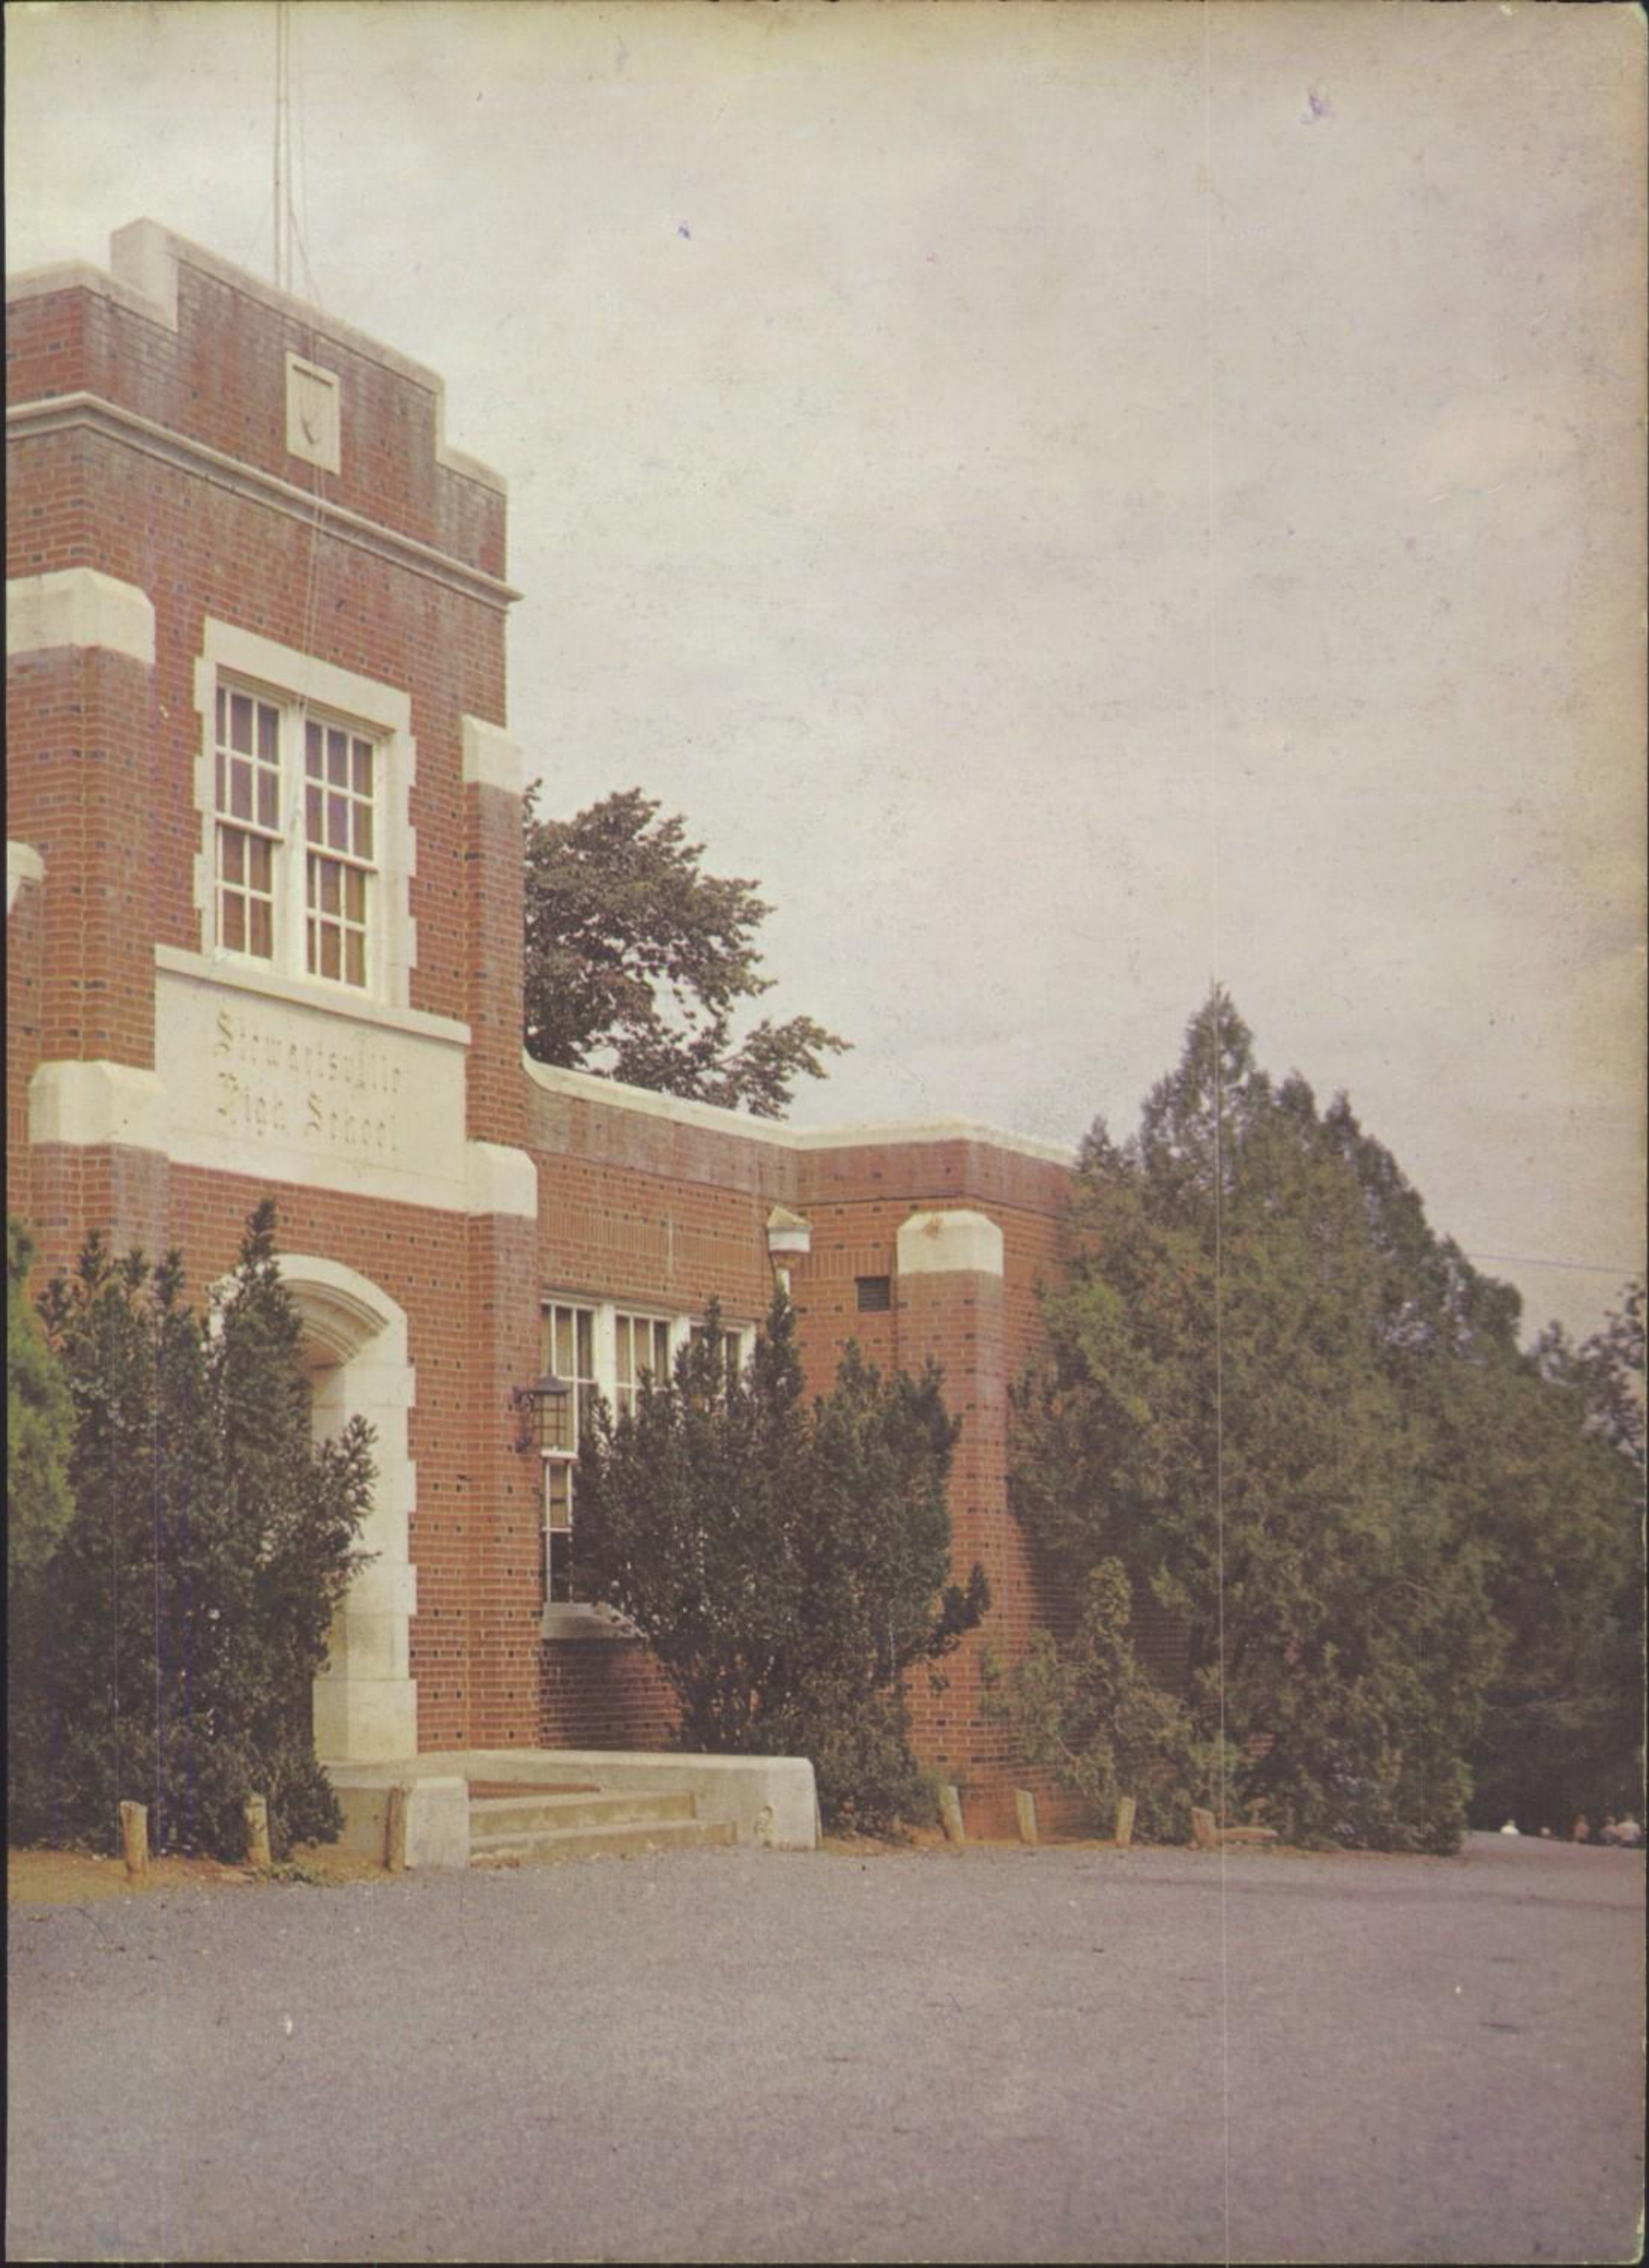
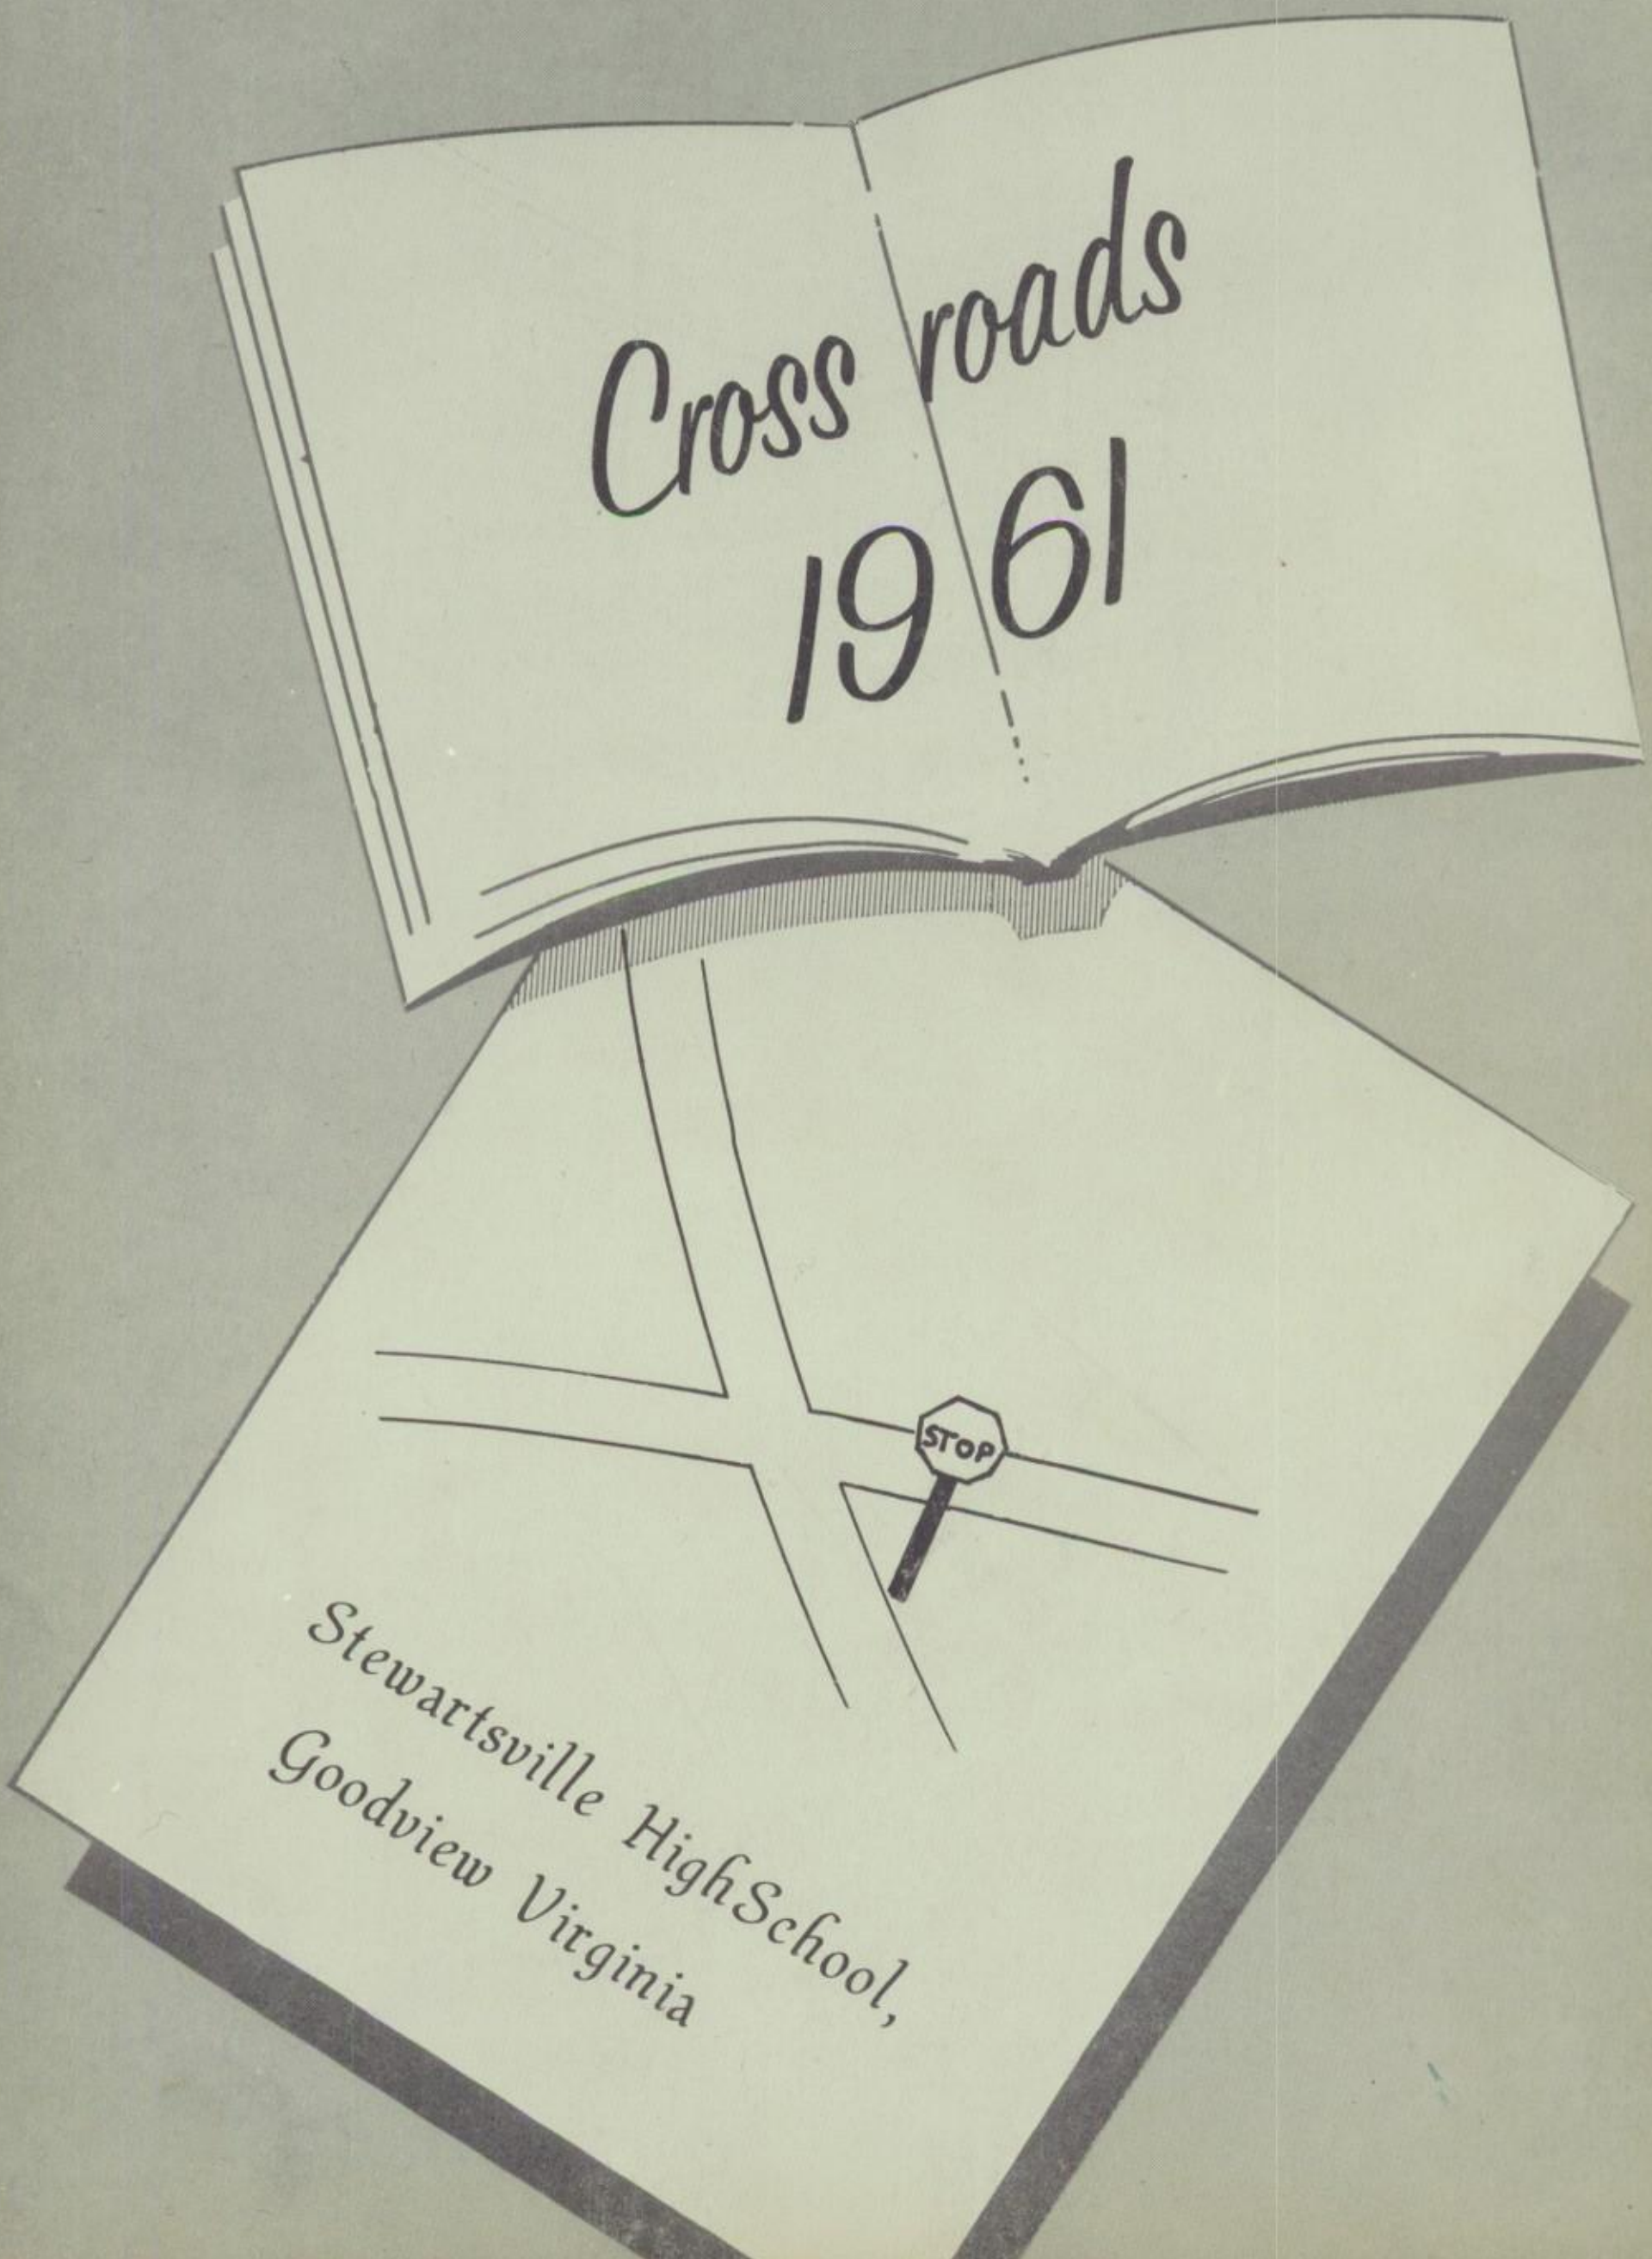
Crossroads





Cross roads
1961
STOP
Stewartsville High School,
Goodview Virginia

We of the Crossroads Staff who are about to depart as graduates of 1961 sincerely hope that in future years this issue of the Crossroads will be a cherished memento of happy years at Stewartsville High School; a reminder of favorite classmates and of the wonderful hours outside the classroom.

For most of us, we have been students here four years. And now, though hesitantly, we must leave by the open door and step out confidently to face a future that is very uncertain. But in whatever degree of success or failure we may find ourselves in years to come, if a glance at these pages will lighten our labors and ease our pains - if only for a moment - we deem our yearbook work worth-while.

Dedication

We at Stewartsville have benefited by her presence for several years. She is ready to listen and counsel even in most trivial matters; your peeve is her problem.

Her ready smile and helpful hand have contributed greatly to the advancement of the students and to the happy spirit that distinguishes our school. We proudly dedicate the 1961 volume of THE CROSSROADS to Mrs. Alma Newman.

OUR
Ever-Present
CHALLENGE

The prosperity and individual freedoms we enjoy today are hard-earned gifts from our forefathers and must never be taken for granted.

Each new generation must stand on its own feet and preserve these freedoms.

The freedoms we enjoy through the American Way have a high price and must be earned over and over.

W. Somerset Maughan expresses it this way: "If a nation values anything more than freedom, it will lose its freedom; and the irony of it is that if it is comfort or money that it values more, it will lose that, too."
